MISSION to mentor and award scholarships to deserving students in pursuit of higher education.

VISION is to be the finest mentoring and financial aid program in the country shaping our next generation of leaders.

Each spring, Future Legends commits to helping a small number of deserving Scholars pursue their dreams of a college education. A Future Legends scholarship is unique in a multiple of ways. The recipient's partial tuition grant is renewable for each year the student remains enrolled pursuing a bachelor's degree. We also commit to that Scholar for graduate school if they wish to continue their education for an advanced degree.

The Future Legends Selection committee deliberated at length over an outstanding group of candidates this year. Three scholars emerged and were induced as 2019 Future Legends.

- Lili Gomez a senior at Valley Center High School in Valley Center
- Karina Garcia Ortiz a senior at Hoover High School in City Height
- Joshua Kapusinski a senior at The Cambridge School in Rancho Penasquitos

Supporting education is part of Rotary's core mission.
