Dr. Russell Low
(The Chinese and Building the Transcontinental Railroad: A Descendant's Story)

Search for Ancestral Village

From Dr. Low: "The building of the Transcontinental Railroad (TCRR) was a feat of unimaginable magnitude that required a Herculean effort. Its completion on May 10, 1869 was celebrated across our nation. 1200 Chinese workers performed the most dangerous work. With nothing more than hand tools, they laid the CPRR through the High Sierra Nevada Mountains. The story of my great grandfather Hung Lai Wah and his 100 descendants is an American Story that spans 150 years and multiple generations." Home of Hung Lai Guangdong Province of China.

2020 Honolulu Convention in Hawaii

The special promotion discount available to Rotarians for next year's RI convention in Hawaii has expired. However, there is continued good news - there is a reduced early registration fee for those who register by December 15, 2019. **(Honolulu June 6-10)** Registration is available to Rotarians with a My Rotary account online at <http://www.riconvention.org/en/honolulu>
To see video highlighting next year's convention [click here](#).

Fellow RSF Rotarian Susan Callahan recommends that all Rotarians to try to attend an international convention - it is just awesome to see 25,000+ Rotarians from every country come together to make a difference worldwide. "I never felt prouder to be a Rotarian!"

Escondido Creek Conservancy

For those interesting in volunteering with the Conservancy, they do a volunteer open house periodically, to let folks know about different opportunities. They take place at the Elfin Forest Interpretive Center, [8833 Harmony Grove Road](https://www.facebook.com/events/2252236678426186/?ti=icl), from 10 am to noon. More info on Facebook at <https://www.facebook.com/events/2252236678426186/?ti=icl>. They do ask folks to sign up via Facebook to their free event, so they can be prepared to serve you.

Also, they recently created the Escondido Creek Conservancy Eichen Education Fund (at the Rancho Santa Fe Foundation) <http://escondidocreek.org/eichenedfund>. For donations between now and the end of 2019, a special friend of the Conservancy will match each donation, 1:1, up to \$20,000. Donations to the Eichen Fund keep our outdoor education program going and growing, so we can continue to help create the scientists of the future!
