Park Upkeep Volunteers Needed

The Solana Beach Eco-Rotary Club volunteers every first Sunday of the Month from 9-11 am at the San Dieguito County Park in Del Mar. They remove invasive species and/or plant native species as well as provide any other labor the park needs to keep it sustainable as an enjoyable natural space. They are looking for additional volunteers to join their work party to help them in this effort and are asking other Rotarians with similar interest to join them.

The Club meets at the upper parking lot of the park. The entrance fee is free for volunteers.

The park address is:

[1628 Lomas Santa Fe Drive, Del Mar, CA 92014.](#)

Bring your hat, water gloves (recommended) and wear closed-toe shoes. Children are allowed to help if under the supervision of an adult. Feel free to bring a friend. This is a great opportunity for like-minded Rotarians to get to know each other and leave the planet in better shape in the process.

Directions can be found on the [park website](#).

World Polio Day October 24th

Join Rotaract District 5340 for our 3rd Annual "End Polio Now" fundraiser social. This social is geared to create public awareness of the need to end polio. Children who receive the oral Polio vaccine have their pinkie dyed purple with a topical solution to help prevent double dosage. Rotary International has been a huge fighting force in helping eradicate Polio.

All money raised will go to the End Polio Now Foundation. This year's goal is \$235. We encourage all District 5340 Rotaractors and Rotarians to attend. We will be providing appetizers and small dishes - first come - first served!

Please [RSVP](#) by 5:00 pm, Wednesday, October 23. If you have any questions, please refer them to Sesy Enriquez - 619 518-2437.

[Rotarians to Walk the Camino de Santiago](#)

The La Jolla Golden Triangle Rotary Club is working on an opportunity for Rotarians of District 5340 to walk the Camino de Santiago in the Spring of 2020. Spanish Steps owner, Judy Colaneri, has offered to provide a one-week, van-supported journey along the Camino.

Since the 10th Century, pilgrims have made their way to Santiago de Compostela, Spain, via a network of trails known as the Camino de Santiago. In the Spring of 2017, Rotarians and spouses from District 5340 walked this pilgrimage as a fundraiser for La Jolla Golden Triangle Rotary Club with the help of Spanish Steps, a Spain-based tour company which focuses on Camino de Santiago walking tours. This journey will be repeated this Spring with all profits going to the La Jolla Golden Triangle Rotary Club for service projects.

Marine Corps Birthday Ball (Donations)

Our Club is collecting cocktail dresses, ball gowns, dressy purses, and dress heals for the upcoming Marine Corps' 244th Birthday at the Omni La Costa Resort in Carlsbad, California on November 2, 2019. The ball is an amazing evening of camaraderie and esprit de corps for all the Marines and their wives or girlfriends from the Wounded Warrior Battalion at Camp Pendleton.

If you have any dresses, purses, or shoes or even jewelry you would like to donate, we would like to get them to base as soon as possible so the women there can pick out the perfect attire for this festive event. Please bring them to Rotary lunches during October. The sooner the better. Thank you for your donations ahead of time.
